SALIH KHAN

sarifu.salih@gmail.com | 07440290893 | <https://salihkhan.me> | github.com/salih-khan

Backend-focused Full-Stack Developer with 4+ years of self-taught experience building production-ready web applications using Node.js, Express, MongoDB, and Vue.js/Nuxt. Passionate about API design, data modeling, and building maintainable, reliable systems. Comfortable working across the full stack with a strong focus on backend architecture, server-side logic, and system design. Quick learner with a methodical approach to problem-solving.

WORK HISTORY

Freelance Full-Stack Developer

SELF-EMPLOYED | BURNLEY, LANCASHIRE

JULY 2022 - CURRENT

- Designed and built full-stack web applications for clients using Node.js, Express, MongoDB, and Vue.js/Nuxt
- Developed REST APIs with input validation, error handling, and authentication
- Designed MongoDB schemas and managed data for applications with hundreds of records
- Led projects from initial requirements gathering to deployment and maintenance
- Built a photography portfolio platform for a client (surmastudio.com)
- Developed Connect2Deen - a platform for hosting sermons with Firebase integration
- Currently building Loomverse - a backend-focused system exploring message processing and automation

POSTMASTER

WILLIAMS ROAD POST OFFICE | BURNLEY,
LANCASHIRE

JUNE 2023 - CURRENT

- Operated within **highly regulated, system-driven workflows**, handling sensitive transactions and customer data
- Followed strict **security, verification, and compliance procedures** with consistent accuracy
- Managed routine administrative processing and record handling in a high-volume environment
- Developed strong attention to detail, process adherence, and problem-solving skills

COMMUNITY TEACHING & ADMINISTRATIVE VOLUNTEER

DIEC, ZEENATUL QURAN | BURNLEY,
LANCASHIRE

JUNE 2023 - DEC 2023

- Delivered structured lessons to small groups of students
- Assisted in organising class schedules and educational activities
- Designed a student application form to improve enrolment organisation
- Supported administrative tasks and communication with parents and staff
